

Training Program: FamilySearch Memories App

Lesson 1: Introduction to FamilySearch Memories

- **Learning Objectives:**
 - Understand the purpose and features of the FamilySearch Memories app.
 - Learn how to download and install the app.
 - Navigate the app interface.
- **Duration:** 30 minutes
- **Speaker Notes:**
 - Introduce the app's role in preserving family memories.
 - Guide learners through the installation process.
 - Demonstrate basic navigation within the app.
- **Homework Assignment:**
 - Download the app if not already done.
 - Explore the app's main features.
- **Resources:**
 - FamilySearch Memories App Overview Video
 - Installation Guide

Lesson 2: Adding and Managing Memories

- **Learning Objectives:**
 - Add photos, stories, and documents to the app.
 - Organize memories into collections.
 - Understand privacy settings.
- **Duration:** 30 minutes
- **Speaker Notes:**
 - Explain how to upload photos and documents.
 - Encourage learners to write and attach family stories.
 - Discuss privacy options (private vs. public).
- **Homework Assignment:**
 - Upload a family photo and write a short story to attach to it.
- **Resources:**
 - Adding Memories Tutorial
 - Privacy Settings Guide

Lesson 3: Collaborating with Others

- **Learning Objectives:**
 - Invite family members to contribute to memories.
 - Understand collaboration features.
 - Resolve common issues.
- **Duration:** 30 minutes

- **Speaker Notes:**
 - Show how to invite family members to join the app.
 - Discuss collaboration tools (comments, tagging, etc.).
 - Troubleshoot common problems.
- **Homework Assignment:**
 - Invite a family member to join the app and collaborate on a memory.
- **Resources:**
 - Collaboration Features Tutorial
 - Troubleshooting Guide

Lesson 4: Advanced Features

- **Learning Objectives:**
 - Explore advanced features (audio recordings, source citations, etc.).
 - Use search and filtering options effectively.
- **Duration:** 30 minutes
- **Speaker Notes:**
 - Demonstrate audio recording capabilities.
 - Explain how to add source citations.
 - Teach efficient searching and filtering.
- **Homework Assignment:**
 - Record an audio memory or add a source citation to an existing memory.
- **Resources:**
 - Advanced Features Tutorial
 - Search and Filtering Tips

Lesson 5: Sharing Memories Beyond the App

- **Learning Objectives:**
 - Share memories with non-app users.
 - Export memories for offline use.
- **Duration:** 30 minutes
- **Speaker Notes:**
 - Discuss sharing options (email, social media, etc.).
 - Show how to export memories.
- **Homework Assignment:**
 - Share a memory with a family member who doesn't use the app.
- **Resources:**
 - Sharing Memories Tutorial
 - Exporting Memories Guide

○

Training Program: FamilySearch Tree App
